FOR HR & ADMIN TEAMS

Corporate Wellness Program

Doctor-led Ayurvedic care for your employees — at Herbal Hills centres across Mumbai's western suburbs.

₹30,000	Up to 35%	Up to 1 year	1 invoice
Minimum program value	Off list price	Credit validity	For your organisation

About the program

Long hours at a desk show up as neck and back strain, stress and poor sleep. Herbal Hills offers your organisation a **prepaid, doctor-led Ayurvedic wellness program** for employees. Your company buys wellness credit once; employees use it at our centres for consultations, therapies and structured one-month health programs. You sign one agreement, receive one consolidated invoice, and every employee's health details stay private.

Why organisations choose it

Doctor-led, not a perk menu

Every employee starts with a consultation. The plan is set by an Ayurvedic doctor.

Programs, not one-off massages

One-month health programs and therapy packages that deliver lasting results.

Confidential by design

Your organisation sees usage totals only — never diagnoses or treatment details.

Simple to administer

One agreement, one consolidated GST invoice and a named coordinator.

Program options

Choose one, or combine them to suit your team.

01 **Prepaid Wellness Credit**

Your company buys a pool of treatment credit. Employees redeem it across all our centres.

02 **Employee Health Programs**

Nominated employees enrol in one-month programs: **Mann Shuddhi** (stress & sleep), **Joint Care**, **Detox Pro** or **Weight Management**.

03 **Leadership Health Program**

Senior team members on a Health Package or the 5-Day Panchakarma Package, with flexible scheduling.

Corporate pricing

Prepaid credit by program value. The larger the value, the bigger the discount and the longer the validity. All values include GST.

You pay	Discount	Treatment value you get	Valid for
₹25,500	15%	**₹30,000**	3 months
₹40,000	20%	**₹50,000**	6 months
₹56,250	25%	**₹75,000**	7 months
₹70,000	30%	**₹1,00,000**	9 months
₹97,500	35%	**₹1,50,000**	12 months

> **Example:** A company pays **₹5,00,000** and receives treatments worth **₹7,69,231** at list price — 35% off, valid for 1 year, shared by its employees.

How it works

01
Needs call
A short call with your HR or admin team.

02
Proposal & agreement
Program, pricing and terms confirmed in writing.

03
Invoice & activation
One consolidated GST invoice to your company.

04
Employee registration
Each employee begins with a doctor consultation.

05
Usage summary (optional)
On request, HR receives sessions used by month and centre.

Employee privacy

Consultation records stay between the employee and their doctor. If your organisation asks for usage reporting, it receives only a summary — sessions used by month and centre — never diagnoses, treatment details or health information about named employees.

Where employees can use it

- Juhu / Andheri (Vile Parle)
- Goregaon (W)
